# CITY MANAGER MARGIE C. ROSE WELCOMES YOU

Want the inside track to great things? All you need to do is to look at Corpus Christi. Our thriving multicultural city of 316,381 people is located along the Texas Gulf Coast where innovation meets nature. Being just steps away from the 5th largest port in the nation and award winning municipal marina, Corpus Christi's downtown has boundless resources to live, work and play.

In fact, downtown momentum is surging with \$60 million in recently completed projects and \$650 million in new projects. This investment in downtown has resulted in unprecedented growth including a surge in residential development especially among young professionals.

Just a few minutes away along Ocean Drive features stunning homes and beautiful water views. The city is home to Naval Air Station Corpus Christi, Army Depot and Texas A&M University – Corpus Christi. Not only are the next generation of Navy pilots trained in Corpus Christi, but we are the home to one of the premier unmanned aerial drone programs in the country.

Everything in Corpus Christi is within minutes. From arts, entertainment, sports or the abundance of natural resources, Corpus Christi Downtown is the heart of our community. The City of Corpus Christi and the Corpus Christi Downtown Management District are eager to assist you in understanding our downtown market and the many opportunities available to new development and businesses. We share this information as a resource and hope you will take advantage of all Downtown Corpus Christi has to offer.

Sincerely,

*Margie C. Rose*
