

# MEET YOUR COMMUNITY. JOIN THE DOWNTOWN NEIGHBORHOOD ASSOCIATION.

The Downtown Neighborhood Association (DNA) is a new program that downtown residents can join to get involved with our community and make a difference in our neighborhood they live, work, and play in!

The DRA was established to support the diverse, vibrant, and safe culture in Downtown Corpus Christi while being a conduit between the neighborhood and City agencies. The DRA will facilitate, promote, and support all activities intended to enhance the environment and quality of life among downtown residents.
